The **Uncorked! Wine Clubs** are your opportunity to experience and expand your knowledge about wine. Each month our staff will hand-pick exceptional bottles that will excite your palate and stimulate your curiosity. Because we know the wine world can be enigmatic, we will include descriptive literature highlighting the producer and terroir, along with wine insights, tasting notes and food pairing suggestions. Makes a great gift for the wine lover on your list. All members will also receive the added benefits of:

- ◆ A 10% discount on wine club selections for the featured month
- ◆ Priority Invitations to tasting events and wine education events
- ◆ Special offers on stemware, books and wine accessories

## **Choose one or more of the following membership options!**

### **Passport Club — 2 bottles \$40/month**

In an isolationist rut? Don't know where to begin with those French labels? This club will introduce you to great wines from around the world! You'll learn about everything from the famous French Bordeaux region to the little know indigenous varietals of Italy and the undiscovered tastes of Austria! Each month you'll receive two different bottles. And we will seek out lesser known producers from regions closer to home like California and Oregon.

### **R & R Club — 2 bottles for \$25/month**

You can enjoy fantastic vino even if you're on a budget! The R & R Club is a great way for beginning wine connoisseurs to develop their palates and expand their understanding of fine wine. The R & R Club will feature two different wines each month, one red, one white, or occasionally one rosé.

Club selections are available for pick up at the Boise Co-op Wine Shop after the first of each month. Please make arrangements with us if you will not be able to pick up your wine.
